12th Graz Symposium
VIRTUAL VEHICLE
Sponsoring Packages

7th – 8th
May 2019
The Congress will bring together the vehicle engineers with CI/CD researcher and experts to tackle the latest developments, most exited innovations and discuss the future of more agile and collaborative engineering in the vehicle development

- Model-based Systems Engineering
- Continuous Integration & Continuous Deployment
- Agile enriched Engineering Processes
- Change Management
- Automation in Simulation for System Development
- Virtual Homologation of Automotive Systems
- Data- and Information Management

The two-day event focuses on main application use cases:
- Automated Driving and Assistance Systems
- Cooperative/Integrated Vehicle Safety
- Energy Management

Automotive technology is evolving at a pace never seen before. It’s now more important than ever to keep up with groundbreaking innovations — and that’s exactly why the mobility industry comes together for GSVF.

The gathering of leading experts in agile principles.

Previous Speakers

Dr. Ralph Sundermeier
Head of Calculation Methods
Volkswagen AG

Simon Fürst
General Manager development of software based features
BMW Group

Prof. Klaus Kompaß
Vice President Vehicle Safety
BMW Group

Christoph Gümbe1
Senior Futurist, Partner
future matters

Prof. Norbert Schaub
Head of Passive Safety Testing
Daimler AG

Dr. Phil Barber
Vehicle Capability Research Technology Specialist
Jaguar – Land Rover Ltd.

Torsten Gollewski
Senior VP Advanced Engineering
ZF AG
CEO, Zukunft Ventures GmbH

Dr. Jan Becker
Senior Director Automated Driving
Faraday Future, Inc.

Prices without taxes.
Exhibition

FLOORSPACE * EUR 350,- / m²

☐ 4 m²  ☐ 6 m²  ☐ 8 m²  ☐ 12 m²

Power connection (230 V) EUR 70,-  ☐

Table and chair EUR 70,-  ☐

Outdoor show vehicle space *  ☐

We provide a vehicle for shuttle services  ☐

* Due to limited floorspace, locations will be assigned under consideration of confirmed Sponsor Packages and on a first come / serve basis.

Please return order form to the Congress Office not later than March 15, 2019.

Order Form

This Order Form has to be completely filled out and confirmed with legally binding effect. By submitting this Order Form, the exhibitor accepts the Exhibitor Terms on the next side.

Sponsor Package: .................................................................

Company .................................................................

Department .................................................................

Contact .................................................................

Address .................................................................

Country .................................................................

Phone .................................................................

e-mail .................................................................

VAT Nr. .................................................................

Place and Date .................................................................

Company stamp and Signature .................................................................
The event is organized by Kompetenzzentrum - Das virtuelle Fahrzeug, Forschungsgesellschaft mbH, 8010 Graz, Inffeldgasse 21a („ViF“).

To apply for participation at the exhibition of the event, the order form available on the event website https://www.v2c2.at/gsvf/ shall be sent to ViF. The form shall be completed and duly signed. By submitting the order form the exhibitor accepts these Exhibitor Terms.

The exhibitor shall further comply with all terms and conditions (e.g. booth specifications, times, delivery etc.) described in the Exhibitor Information.

Neither ViF nor any of its contractors, employees or other representatives shall be held liable for, and are hereby released from any damage, loss, harm, or injury to the person or property of the exhibitor or any of its visitors, officers, employees or other representatives, resulting from theft, fire, water, unavailability of the exhibition facility, accident or any other cause.

To the fullest extent permitted by law, the exhibitor shall indemnify, defend, and protect ViF and hold ViF harmless from any and all claims, demands, suits, liability damages, losses, costs, attorney fees and expenses of any kind that might result or arise from any action or failure to act on the part of the exhibitor, its officers, employees or other representatives.

The exhibitor shall ensure to maintain proper insurance coverage for its property and liability.

The exhibitor shall pay the total amount of the exhibition fee within 14 days after date of invoice. All exhibition fees paid are non-refundable.

Further verbal agreements, differing or supplementary agreements to this Exhibitor Terms are only binding subject to written confirmation by ViF.

If any provision of this Exhibitor Terms should be invalid or unenforceable or become invalid or unenforceable after the conclusion, the validity of the remaining provisions shall remain unaffected. In place of the invalid or unenforceable provision a valid and enforceable provision should be applied with effects which come closest to the economic objectives which the parties have pursued originally. The foregoing provisions shall apply correspondingly in the event that the Exhibitor Terms proves to be incomplete.

All disputes arising from or in connection with the conference are subject to Austrian law with the exclusion of its conflict of law rules. Place of jurisdiction for all legal disputes arising from this conference shall be the locally competent court for the seat of ViF.
